

Mission statement

The Youth Pastoral Team exists because of the desire of the Archdiocese of Glasgow to empower young people and channel their vitality and gifts through their parishes for the good of the Church and the world.

We foster and co-ordinate the formation and pastoral care of young people in dialogue with them and in partnership with all those who serve them.

We accompany young people on all stages of their faith journey and challenge them to grow.

We provide opportunities for young people to encounter God through prayer, service, and experience of community.

We encourage young people to hear the voice of God in their lives, responding in love to His call and becoming who He created them to be.

We strive to assist and enrich fruitful relations between parishes and schools in order that these aims can be met.
